

Call for Papers

First European Symposium: Research, conservation and management of biodiversity in the European seashores (RCMBES)

8 May - 12 May, 2017 at Primorsko, Bulgaria

Dear Colleagues,

We are happy to announce the **First European Symposium: Research, conservation and management of biodiversity in the European seashores** that will be organized on May 8 - May 12, 2017, in Primorsko, Bulgaria.

The symposium includes a wide variety of problems. Participants may get some good ideas for developing their own future research topics from the developments in the neighboring areas. You are cordially invited to participate in these interesting event. Primorsko and tourist complex "Magnolia***" offer excellent working conditions and recreation opportunities near the Strandja Nature Park and the seaside.

Deadline for Abstracts Submission is 15.03.2017. The online submission page now is under construction, to be opened this December.

Papers will be published in journal with impact factor after international peer-review.
